ACCESS LIFTS LIMITED

Barduva RB 150 is a Open Platform Lift, also known as Wheelchair Lift, which provides internal or external vertical travel up to 3 meters. Our Open Platform Lift can accommodate changes in level from 600 mm up to 3000 mm in commercial and domestic environments and is appropriate alternative solution to a fully enclosed platform lift.

RB 150 is specifically designed for applications with little or no alterations to existing buildings. The open type
